

[illegible]

著者:Mcgrath, Campbell

出版时间:1994-8

isbn:9780880013741

American Noise is a rapturous exploration of American culture and landscape. With compassionate wit and insight, Campbell McGrath transports us on a journey through contemporary society, transforming the commonplace into scenes of profound revelation. From late-night bars to early-morning diners, suburban malls to the Mojave Desert, McGrath's meticulously detailed vision defines singular moments of joy and melancholy.
