

The Gospel According to Jesus Christ

[The Gospel According to Jesus Christ_ 下载链接1](#)

著者:Jose Saramago

出版者:Mariner Books

出版时间:1994-9-28

装帧:Paperback

isbn:9780156001410

This is a skeptic's journey into the meaning of God and of human existence. At once an ironic rendering of the life of Christ and a beautiful novel, Saramago's tale has sparked intense discussion about the meaning of Christianity and the Church as an institution. Translated by Giovanni Pontiero.

评论

Aside from him being a nobel laureate. The female characters in the book all appear as these quiet and mysteriously wise existence. It's a bit too much of a male fantasy. Then, he is a bit too obvious a riot to the canon. Anyway I learned a few Christian

history/culture, thx to him

也许是我读过的最危险的， 也是最有力量的一本书。

Jesus and Satan were both created by God in a not so heavenly manner coz obviously even the Creator had to fight the decline of power. Amusingly and sarcastically fascinating. Plus, it was highly recommended to me by a secular, Israeli Jew. No wonder.

神不能放弃荣耀，所以必然残忍。
