This illuminating view of how women understand and process the Twelve Steps of Alcoholics Anonymous explores such essential topics as spirituality, powerlessness, and the emergence of a woman's sense of feminine soul. "A Woman's Way Through the Twelve Steps" remains true to the underlying spiritual truths of the Twelve Step program of Alcoholics Anonymous while triumphantly overcoming the traditional male orientation of Alcoholics Anonymous. For every woman who has felt there are issues crucial to her recovery that just can't be brought up in a mixed-gender meeting, this book sheds encouraging feminine light on the wisdom of A.A.
