著者:Pogrebin, Letty

出版者:Random House Inc

出版时间:1992-9

装帧:Pap

isbn:9780385425124

As an adolescent, Pogrebin experienced agonizing rejection from Judaism because she was female, and at 15 she disassociated herself from organized Judaism. This book is about her journey 20 years later back to her roots, her decision to reconsider her withdrawal, and her struggle to reconcile feminism and her religion.
