著者:Donald Van Metre

出版者:Kaplan

出版时间:2006-12

装帧:Pap

isbn:9781419591501

"Inside the New TOEIC" focuses on the new, redesigned TOEIC. It includes: extensive review and practice for every section of the test; Kaplan's key strategies for taking a multiple-choice test; tactics for the new Listening and Reading sections; and, exercises for learning tough new TOEIC words and idioms.
