An exclusive first look behind the scenes of the popular Broadway musical. With its cast of furry puppets, its shockingly politically incorrect lyrics, and its hilarious upending of children's television, Avenue Q took Broadway by storm. The New York Times declared it "a breakthrough musical," and after a two-year run, the Golden Theater is still selling out eight shows a week. Its success is not limited to the Great White Way, however: This summer, the cast will be swearing, drinking, and ennui-ing their way across the country. As smart, risqué, and downright entertaining as the show itself, Avenue Q is a must-have companion book. In addition to the complete Tony

Award-winning book and songs (perfect for those who can't get enough of the lyrics to "It Sucks to Be Me"), Avenue Q is packed with exclusive interviews with the cast and creatures, and features puzzles, connect-the-dots, and other "educational" activities to prepare readers for life after college. With a distinctive cover and chock-full of gorgeous photography and original illustrations, Avenue Q is a jam-packed thrill ride of a book.
