出版时间:2007-3

装帧:Hardcover

isbn:9781405314619

Start spreading the news...From early fame in the big band era of the 1940's through to the farewell tours in the twilight years, this is the full and extraordinary story of Ol' Blue Eyes. Find the truth behind the legend. This title sets the record straight on Sinatra's

childhood, Rat Pack capers and his famous (and infamous) friendships. Packed with over 750 rare photographs, and showcasing all his landmark songs, albums and movies, this is a must-have for fans for this singing legend.
