Sassie is going to be a STAR!!! She just knows it. And when she is chosen as a finalist in the Hollywood It Dog Competition, it's off to Tinseltown. But all that Hollywood stardust, glitz, and glam goes to her head, and once again Sassie's ego runs away

with itself. Tinseltown won't put up with her for long, and soon Sassie's only role is as an extra on Animal Planet. Will Sassie's star get a chance to shine?
