From first look and first date to first fight, breaking up and making up, the world of dating can be a minefield for the unprepared. International relationship guru, John Gray turns his expertise to the language and behaviour of dating couples. Asking questions such as: How should you act on your first date? How can you tell if your partner means what he says? Is this love or just lust at first sight? John Gray helps new couples figure out whether they are partners for life or just enjoying a brief encounter. His approach will help both men and women play the dating game with its complex rules of etiquette and behaviour, and explains how to separate fact from fantasy in conversation, body language and future expectations. His humorous insight and practical advice will help young and old alike to reach closer understanding, love and commitment, and have fun on the way!
