A marvelous look at the most famous literary friendship of our time, set against the glittering backdrops of Paris, Pamplona, Capri and the Riviera

Paris in the 20s: The era of literary expatriates Ernest Hemingway and F. Scott Fitzgerald continues to burn in the imagination as a time of unparalleled glamour and romance. The legendary friendship--and rivalry--of these literary giants was compellingly chronicled by Hemingway in *A Moveable Feast*, but as Hemingway reminded the reader, that book is fiction. Here, in *Fitzgerald and Hemingway*, leading scholar Scott Donaldson goes beyond the mythologizing to create a true, multi-faceted narrative of a great friendship fueled by admiration, jealousy, and liquor--a heady mixture of literary scholarship, history, and gossip.

With a dazzling cast of characters that includes legendary Scribner's editor Maxwell Perkins, the artist/socialites Gerald and Sara Murphy, Zelda Fitzgerald and Hadley Hemingway, Gertrude Stein, John Dos Passos, Archibald MacLeish, agent Harold Ober, publisher Horace Liveright, and Lady Duff Twysden, Scott Donaldson recounts the glory and pain of a writing life and the rise and fall of the great literary friendship of our time.

评论

太可怕了 先是从路人的论证营造一种海菲都是基佬的氛围
然后泽尔达跳出来指责菲茨是基佬 盖章海菲是一对 然后引海哥多次使用的
著名的形容菲茨是蝴蝶的例子 从用语盖章海哥默认菲茨是基佬 接着也不放过海哥
从他跟左岸基佬团体的深交 到他的恐同身份论证海哥也是基佬……学术圈真可怕
被吓坏了

有猛料！有一些片段非常好笑，都拍照做笔记了。这些梗估计够我反复玩几年，兜售给
若干同好////

bit of a combination of academic paper and story telling. like particularly its way of
ending on the psychological interpretation of the H & F relationship, a hint of
homolove, which is disastrous as most great love/friendship is.
