出版时间:2005-1

装帧:Pap

isbn:9780794819194

This comprehensive 288-page color book details how to begin the ideal numismatic pursuit: a collection of United States coins by design types. Whether you decide to collect coin types from 1793, their origin in the United States, to date, or you start with issues in the 20th century, everything you need to know, mintages, grades, collection tips, is available in this essential reference and price guide.
