Antique watches have become a popular new area in the collectibles field and now collectors of wrist and pocket watches can enjoy a portable, full-colour guide to their favourites. This conveniently sized book features 450 detailed colour photos of wrist and pocket watches produced from 1870 to 1970, from more than 50 American and

Swiss watch manufacturers. Each listing comes complete with current collector pricing (in US dollars) as well as historical facts about the watch.
