Joining Bruce Coville's earlier prose adaptations of Shakespeare's plays is this picture book treatment of the Bard's most popular work ever. The tender story of the young

star-crossed lovers from warring families, Romeo and Juliet has moved audiences to tears for four hundred years. And Coville tells it in a way that will surely whet the appetite of young audiences, who will then find even greater enjoyment in the original. As with his earlier adaptations, Coville expertly combines his own dramatic language with key lines from the play. Dennis Nolan, who illustrated Coville's version of A Midsummer Night's Dream , contributes stunning paintings, including a gatefold of the famous balcony scene.

In addition to A Midsummer Night's Dream , which Publishers Weekly called "A first rate entree to the Bard," Coville also retold The Tempest and Macbeth . Of the latter, School Library Journal said, "Coville's muscular sentences, full of dramatic word choices, make this a good read-aloud." Both Macbeth and A Midsummer Night's Dream were honored as ALA Quick Picks for Young Adults.

买的第一本英文原版绘本，主要是因为喜欢其中一张上下连页的画，正是罗密欧站在朱丽叶楼下的那幅经典画面。人物的衣着装饰一点也不莎士比亚，不喜欢画中的朱丽叶，脸上带着麻木。
