Five little, four little, three little...one little adorable book that will let even the smallest Pilgrims count their way down through an exciting Thanksgiving adventure to a big surprise! With a unique trim size, a plastic molded counting piece on each spread that disappears as kids count down, and an exciting pop-up at the end, this charming Thanksgiving book is bound to be a hit. William Boniface provides a fun version of the traditional rhyme, complemented by Lynn Adams' sweet illustrations.

Illustrated by Lynn Adams.
