Spaceman or soccer pro, candy-store owner or the queen herself — the sky's the limit when Colin McNaughton's imaginative cast of kids act out what they'd like to be when they grow up.

Sit back and enjoy the show as the inimitable Colin McNaughton stages a lively class musical all about growing up. What would you like to be when you get older? A king of the jungle or the king of rock 'n' roll? A famous poet or a pirate just like Dad ("That's my girl!")? There's no end to the possibilities — but, as this amusing presentation points out, there's also no rush to become a grownup when being a child can be so much fun!

孩子还小的时候给孩子们一个自己以后奋斗的目标。这是一个老实带着一个班级的学生做了一台节目一样的，一个大project。很好的idea。
