Here's to exuberant read-alouds! This picture book ode to joy invites us to celebrate the world's vast diversity — and feel pretty happy with our place in it, too.

Here's to the birds!

The Feather People!

Birds!

Here's to the birds and the bears and the bugs! Here's to the weird and wacky, the cute and creepy! From toothy fish to let-you-when-you're-sleeping cats to lick-lick-lick-lick-lick-lick dogs, every creature is unique and lovable . . . especially you! The infectious joy of David Elliott's wonderful read-aloud poem and Randy Cecil's brilliant, amusing artwork is sure to have children reciting along.
