It's time for bed. But where are the goodnight kisses hiding? Toddlers will delight in lifting the flaps and discovering the fun textures and brightly colored toys hiding underneath them. And when the hide-and-seek game is over, they can cuddle up for one last goodnight kiss. This fifth book in Barney Saltzberg's popular Kisses series is a cozy bedtime book complete with an inviting lift-the-flap game, a squeaker to press, and glow-in-the-dark stars--perfect for sleepy little ones who love to share goodnight kisses.
