When Ruby's grandmother, Miss Eula goes to visit her new grandbaby in Hawaii, Ruby is sure that she will have a lonely, empty, horrible summer without her in boring old Halleluia, Mississippi. What happens instead? She makes a new friend, saves the school play, writes plenty of letters to her favorite (and only) grandmother . . . and finally learns to stop blaming herself for her grandfather's death. Not too bad, for a nine-year-old.

Winner of numerous awards and included on seventeen state reading lists, Love, Ruby Lavender is now republished in paperback with the original cover art by Marla Frazee.
