著者:Stewart, Ron/ Ritchie, Roy

出版者:Collector Books

出版时间:2005-3

装帧:Pap

isbn:9781574324273

The authors of our bestselling Standard Knife Collector's Guide, Cattaraugus Cutlery, The Big Book of Pocket Knives, and The Standard Guide to Razors are at it again. This time they have produced a book on Remington knives. Well known for their manufacture of quality firearms, Remington Arms Company also produced a complete line of quality cutlery from 1922 to 1940. There were literally hundreds of patterns and a variety of handle materials utilized on their knives. Today, these knives are collected internationally. This book provides knife collectors with an easy to use, reliable identification guide for Remington patterns, handle materials, and values. There are hundreds of pictures and descriptions throughout the book. Additionally, there is a history of Remington cutlery, blade design illustrations, a sampling of company cutlery advertisements, and a section on the current line of limited edition Remington knives. This book will find its place both on the reference shelves and in the pockets of serious and curious collectors of quality cutlery.
