This is the new edition of this insider's guide to identifying trash, treasure or tomorrow's antiques, from antiques guru Judith Miller. Ever wondered if your junk might be someone else's antique or treasure? From coins to kitchenware, fashion to football memorabilia, find out all you need to know to enjoy collecting and make a tidy profit. Pick up expert advice, top tips and tricks of the trade from antiques expert Judith Miller. She'll guide you through identifying tomorrow's red-hot collectables so you can make the right investment now; which items to hold onto while they increase in value; and, what to sell to maximise your profits. 'Super-easy to use, may save or make you a bob or two' - 5-star rating, "Web User Magazine".

作者介绍:

Judith Miller began as a lecturer and regular contributor to newspapers and magazines, and is Antiques and Collectables Magazine's 'Agony Aunt'. Her TV work includes the BBC's Antiques Roadshow, The House Detectives, The Antiques Trail and The Martha Stewart Show. Judith lives in London.
