著者:Mentasi, Rosa Barovier

出版者:Antique Collectors Club Ltd

出版时间:2006-4

装帧:HRD

isbn:9788872001875

The glass making world of Murano is currently experiencing an ongoing review between the old and the new, between loyalty of traditional values and an eagerness to innovate. The interest of this debate is that it is among the classic glassmakers, who work in an atmosphere similar to that of a medieval workshop, and contemporary artists who live entirely in a modern day society. The collaboration of the two has

contributed to making Murano an extraordinary place that is well worth visiting, investigating and photographing.
