The eagerly anticipated third volume in the "100 Best Things I've Sold on eBay" series is here! You'll be hooked by Lynn's engaging stories of her most interesting eBay transactions. While many marvel at the prices people will pay for the strangest things on eBay, Lynn understands that for many it is because of an emotional connection with the object up for auction. It is that connection that makes for the entertaining, touching, and inspiring stories of the author's eBay adventures. Lynn Dralle is the granddaughter of Cheryl Leaf, an antiques dealer for over 50 years and a larger-than-life personality. Over the years, Lynn came to depend on her grandmother's knowledge of antiques, business insights, wisdom, strength of character, and humour. Lynn has woven memories of the time spent with her grandmother into her stories.
