American Art Pottery, Second Edition, by 32-year collector and dealer Dick Sigafoose, now features the products, histories, and interesting information of 54 potteries. An ideal reference for both advanced and beginning collectors, the book includes the big companies like Weller, Rookwood, Roseville, Brush McCoy, and American Encaustic Tile. It also includes the smaller producers like Newcomb, Muncie, Uhl, Grueby, and California Art Tile. The pricing guide and identification information helps collectors purchase bargains and appraise collections. There are over 650 color photographs of pottery and tiles that include close-ups and shots of backstamps. Old factory catalog pages and advertising also assist collectors with identification. It's a must-have for collectors of any type of American Art Pottery.
