When Leslie asks her audiences what types of information they want in a new book, the overwhelming response is a portable compilation of top picks. Leslie Sbrocco's Simple and Savvy Wine Guide is packed with all kinds of glance-and-go lists for everything from what wine to drink with Thai take-out, to wines perfect for drinking in a bubble bath. Leslie also offers up an entire section based on her popular concept of wine makeovers, in which she takes an expensive wine and offers a similar tasting, less expensive version.
