From the creators of the hugely popular craft site, Supernaturale.com, comes a hip and funky compendium of new DIY projects that reshape, reuse, and redefine the concept of "handmade," moving away from country-cutesy, granny craft into utilitarian craft art for the 21st century. Got a pile of extra buttons and don't know what to do with them? Make a cool bracelet. Need some pillows for your new couch, and have a bunch of old wool sweaters? Turn those sweaters into felt! Knitting, felting, leather tooling, glass and metal work—it's all here. CRAFTIVITY is filled with 60 amazing DIY projects that make the most of what you have by taking old stuff and turning it into functional, breathtaking art.
