"Moving On" is a big, powerful novel about men and women in the American West. Set in the 1960s against the backdrop of the honky-tonk glamour of the rodeo and the desperation of suburban Houston, it is the story of the restless and lovable Patsy Carpenter, one of Larry McMurtry's most unforgettable characters. Patsy -- young, beautiful, with a sharp tongue and an irresistible charm -- and her shiftless husband, Jim, are adrift in the West. Patsy moves through affairs of the heart like small towns -- there's Pete, the rodeo clown, and Hank, the graduate student, and others -- always in search of the life that seems ever receding around the next bend. Peopled with a riotously colorful cast of highbrows, cowpokes, and rodeo queens, in its wry humor, tenderness, and epic panorama, "Moving On" is a celebration of our land by one of America's best-loved authors. "Moving On" is vintage McMurtry.
