Here are eleven more spine-tingling tales from the Hoosier state. Read about the ghost of Amelia Earhart at Purdue University... the Lady in Red who haunts the Lanier Mansion... the spirit of a nun who watches over patients at a Mishawaka hospital... the terrifying story of a poltergeist who set twenty-eight separate fires at an Odon farmhouse in one day... and much more. Along the way you'll chuckle at the yarn of the world's largest ghost hunt that put a reluctant Porter County on the map, along with the hilarious story of Madame Mimi's unmasking in "The Ghost Story That Never Was."
