A Bertie and Jeeves classic, featuring an Alpine hat, a black amber statuette, and the dreaded Totleigh Towers. In "Stiff Upper Lip," Jeeves, Bertie's newt-breeding friend Gussie Fink-Nottle must marry Madeline Bassett or Bertie will be obliged to take his place. Understandably, Bertie is aghast. It seems like certain suicide, but Jeeves must find a way to save his employer from the clutches of the drippy Madeline. If he fails, Bertie's bachelor days -- not to mention Jeeves's leisure time -- will be at an end.
