isbn:9780374521974

作者介绍:

Alejo Carpentier y Valmont (December 26, 1904 – April 24, 1980) was a Cuban novelist, essay writer, and musicologist who greatly influenced Latin American literature during its famous "boom" period. He was among the first practitioners of magical realism and exerted a decisive influence on the works of younger Latin American writers.
