作者介绍:

From the publication of James and the Giant Peach and Charlie and the Chocolate Factory in the 1960s to his death in 1990, Roald Dahl became the most successful children's author in the world. Nearly twenty years later, a fresh generation of children seek out his work with instinctive fanaticism. His creations endure - through Hollywood movies, theatre adaptations and musical works, but still most potently of all through the pure magic of his writing upon the page.

Smartly written stories filled with nasty twists, each infused with a dark sense of bity humour. To prevent the tales from losing their impact, try not to finish them in one go.

养脑子那篇我真是看完致郁了几天，后来看了动物纪录片才缓过来

Definitely unexpected ends of all stories and eccentric characterics. I love it

很黑暗很讽刺的短篇小说集合，像标题描述的一样总是有意想不到结局。是因为小时候大爱他的儿童读物 BFG, The witches, Matilda, 还有最著名的Charlie and the chocalate factory等等，所以才买来看的。他在作为著名的儿童作家之前是一个青少年作家，这本书是他那时候的精华，很喜欢但有时也挺毛骨悚然的~大爱ROALD DAHL和他每本书后边的 ‘My candle burns at both ends it will not last the night. But ah my foes and oh my friends it gives a lovely light’
