出版者:Vintage

出版时间:1990-10-3

装帧:Paperback

isbn:9780679732549

Eddie plays to forget. Haunted by his past, he hides from life playing nightly in a skid row drinking joint - a world of hookers, lowlifes and petty crooks. A hopeless ghost of a man who has ceased caring about himself, he saves his loyalty for others which eventually drags him down.

作者介绍:

David Goodis is one of the most admired American noir writers of the last century. Goodis worked in Hollywood for Warner Brothers but in 1950 he returned to his native Philadelphia and continued to write paperback novels about man's inexorable decline into despair. He died in obscurity in 1967.
