"The Monkey and The Tiger" includes two detective stories, "The Morning of the Monkey" and "The Night of the Tiger." In the first, a gibbon drops an emerald in the open gallery of Dee's official residence, leading the judge to discover a strangely mutilated body in the woods--and how it got there. In the second, Dee is traveling to the imperial capital to assume a new position when he is separated from his escort by a flood. Marooned in a large country house surrounded by fierce bandits, Dee confronts an apparition that helps him solve a mystery.

## 评论

这本是中文翻译改动比较小的。其实是两个故事。第一个mokey的故事内容很前卫，女性觉醒+老少恋。
