isbn:9780252061639

A surefire guarantee for the headaches and stomach upsets of the late twentieth century, The Lemon Jelly Cake carries readers back to kinder, gentler times in a small town at the turn of the century. Evoking a forgotten America of lush lawns, bountiful summer picnics, and shady front porches, the tale is set when the day's toughest decision might have been what to serve for dinner or which suit or dress to wear. In this new Prairie State Books edition, an introduction by longtime Millikin University faculty member and Findlay resident Dan Guillory situates the book and its charming tale firmly in the Central Illinois of 1900.
