装帧:Paperback

isbn:9780889950603

Internationally acclaimed novelist Aritha van Herk takes geography and fiction and creates of them a georafictioneA3a fiction mapped on the lines of geography, a geography following the course of fiction. A new reading of Tolstoy's tragic heroine Anna Karenina and a sojourn at Ellesmere Island come together, and the North becomes an incomparably beautiful place, a living, unread, feminine landscape.
