装帧:Paperback

isbn:9780312119294

"Mercy of a Rude Stream "marks the astonishing return of Henry Roth, sixty years after the publication of his classic novel "Call it Sleep." A book of time, memory, and desire, this new novel is set in the New York of World War I: a colorful vibrant, carelessly brutal city where an immigrant boy, Ira Stigmanm is coming of age. Like Joyce's Stephen Dedalus, Ira begins to discover the genius and the burden of his imagination, as he takes his first tentative steps toward adulthood. A contemporary of the great modernist writers, Roth is being rediscovered by a new generation of readers.

书评

这本书是我读大一的时候在外文书店买的，至于为什么要买，现在确实记不清了，也许是为了装B？不知道，也许是吧。
其实我最初买书的时候曾经立下宏图大志，准备了一个笔记本，准备从头到尾翻译一遍（TMD那个时候真的会想啊），结果当然是无疾而终了。11年过去了，虽然没有读...
