He was prepared for danger--not for love. Elijah Moon, his sons, his beautiful daughter Gracie and their families are trying to dwell simply in this modern world. Living off the land in rural Kentucky, they adhere closely to the words of the Bible. But there is more going on than either Elijah or Gracie realizes. In fact, a man has been killed for knowing too much. When the victim's twin, Jake Baretta, arrives at the compound to learn who killed his brother, he is awed by Gracie Moon's natural beauty and sweet temperament. Struggling not to respond to the attraction he feels, Jake tries to keep his heart to himself and his mind on the job. Everyone knows the first rule of undercover work: Never fall in love with the enemy.
