著者:Nicholson Baker

出版者:Vintage

出版时间:1993-1-26

装帧:Paperback

isbn:9780679742111

Vox is a novel that remaps the territory of sex—sex solitary and telephonic, lyrical and profane, comfortable and dangerous. It is an erotic classic that places Nicholson Baker firmly in the first rank of major American writers.

作者介绍:

Nicholson Baker (born January 7, 1957) is an American novelist and essayist. His fiction generally de-emphasizes narrative in favor of careful description and characterization. He often focuses on minute inspection of his characters' and narrators' stream of consciousness. Baker has written about poetry, literature, library systems, history, politics, time manipulation, youth, and sex. He has written about libraries getting rid of books and newspapers and created the American Newspaper Repository. He received a National Book Critics Circle Award in 2001 for his nonfiction book Double Fold: Libraries and the Assault on Paper and the International Hermann Hesse Prize (Germany) in 2014. Baker has also written about and edited[not verified in body] Wikipedia. A pacifist, he has also written about the buildup to World War II.
