isbn: 9781593852641

Fluency instruction can be seamlessly incorporated into any elementary classroom with the help of this indispensable guide. This work provides fluency development ideas that are effective and motivating, including whole-class and small-group lessons, student-managed activities, and procedures involving classroom volunteers. The emphasis on partner-based learning and the wealth of practical applications make this book unique. Teachers will also appreciate the many real-life examples, tips from other practitioners, and recommended resources. Special features include reproducible assessment tools.
