著者:Rovere-Fenati, Beatrice

出版者:Barrons Educational Series Inc

出版时间:2007-5

装帧:Pap

isbn:9780764136566

This brand-new title for students of Italian serves the double purpose as a combination workbook and a grammar instruction manual. It is filled with exercises and answers

that emphasize informal, conversational language usage. Both the lessons and exercises are arranged progressively, from easy to more difficult, to reflect studentsa learning development. " Mastering Grammar " books make ideal supplementary companions to main classroom textbooks. They can also be used as main texts for adult education courses and for individuals learning a new language on their own.
