一本帮助翻译学新生和翻译入门者认识和扩展有关翻译学知识理论框架的教科书，本书涉及的均为翻译活动发生频繁的领域：产品手册、媒体的大众科普类文章、政治、商业销售、法律和评论。主要针对的是英文译成德文的翻译。

A text for students of translation and novices in the field that presents a framework for dealing with translation problems which tend to recur in a number of frequently translated genres: user manuals; popular-science texts in the media; political, promotional, and legal texts; and reviews. It focuses on the translation of English into German. Schaffner lectures in translation studies and German at Aston U., Birmingham, UK. Distributed by the U. of Toronto Press. Distributed in the US by UTP Distribution. c. Book News Inc.
