This popular introduction to the Irish language is now accompanied by an audio CD. Irish, also known as Irish Gaelic or Gaeilge, is spoken today by approximately one million people world-wide. It is also the basis of the Irish literary tradition, which is the oldest in Europe after Greek and Latin. This valuable guide, ideal for both individual and classroom use, teaches the basics of Irish grammar and vocabulary in 10 easy-to-follow lessons. The audio CD feature complements the dialogue and grammar sections of the lesson, aiding the reader in understanding the language as spoken.
