Cambridge IELTS 6 provides students with an excellent opportunity to familiarise themselves with IELTS and to practise examination techniques using authentic test material prepared by Cambridge ESOL. An introduction to the different modules is

included in each book, together with an explanation of the scoring system used by Cambridge ESOL. The comprehensive section of answers and tapescripts means that the material is ideal for students working partly or entirely on their own. A self-study pack (Student's Book with answers and Audio CD) is also available.

考雅思的,能不买真题吗

五星攒人品啊

这个你考雅思不给五星不怕掉人品吗?
