The Clarion Writing Workshop, established by author Kate Wilhelm with her husband, writer Damon Knight, is regarded as one of the finest creative incubators in the country. For the first time, Wilhelm gracefully and humorously tells the inside story of the program and includes a healthy dose of writing tips. More than a memoir or writing

guide, Wilhelm discusses how the workshop began, the inside tricks of teaching writing, what she learned and how she passed a love of the written word on to generations of writers. Storyteller is a gift to all writers from this generous acclaimed writer.
