著者:Hughes, George

出版者:Vanderbilt Univ Pr

出版时间:2002-6

装帧:Pap

isbn:9780826514004

"Reading Novels" is a unique piece of practical criticism, a comprehensive "poetics" of

a genre that has not attracted a great deal of attention, at least not on this level. It is a reader's and student's guide that reaches beyond issues of individual texts and historical traditions to essential features of the form.
