出版时间:2007-3

装帧:Pap

isbn:9781879505933

This book teaches just that -- the interviewer's art of preparation, attitude, interaction, and improvisation. In its few pages, it provides an invaluable set of practical guidelines for both novice and veteran interviewers working in all media. Through the author's accompanying tales and anecdotes, culled from his long and noted interview career, these guidelines are brought to life and light is shed on the activity's many pitfalls and agile-minded ways of avoiding them.
