Speak Cantonese, Book One, is one of a series of books that teaches the modern spoken language of Cantonese, one of the major "dialects" of Chinese. As appropriate for a text of its kind, it is entirely in romanization. In response to many requests for a character version of the romanized text, the present volume has been printed. It is a word by word, faithful transcription of the entire content of the "parent" volume in traditional characters. No romanization is used in this text.
