More than 5,000 words and expressions are translated and grouped into useful categories for quick reference. The pocket-size guides in this series present thousands of words and expressions with their English translations. Words are divided according to practical subject themes that include numbers, travel situations, ways of greeting, and many other categories. Words are then listed alphabetically within each category. Foreign language students, international travelers, and general readers of foreign language books and periodicals will find quick, easy-to-locate guidance in these books.
