Revised and updated with new phrases and vocabulary, new questions and answers, and new tables presenting basic English verbs, this favorite language-learning program is for Latinos in the United States and Canada who need to develop a practical, working use of spoken English, and who want to learn quickly and informally. Author William Harvey bypasses the dull rules of grammar and takes the practical route by presenting a series of informal conversations by speakers who converse in normal idiomatic American English. Emphasis is placed on correct pronunciation, and many helpful tips are offered, including short-cuts to clear spoken English expression and comprehension. Amusing cartoon-style illustrations help to convey understanding of English.
