著者:Shulman, Myra

出版者:Univ of Michigan Pr

出版时间:2003-5

装帧:Pap

isbn:9780472088935

The revised edition of "Selected Readings in Business" addresses the new developments in the business world since 1991--e-commerce, information technology, women's status as professionals, application of science to business, and the increasing

globalization of our world. Each unit has Internet activities to accompany it. Still the perfect text for international students embarking on an MBA program or a business career.
