Designed to enable quick-witted English speakers to use the many French loanwords of the English vocabulary with an impeccable French pronunciation, this book details and defines approximately 2,500 French terms that have become part of the English lexicon. Its many definitions will allow creative individuals to spice up their conversations with colourful French expressions. Also included, which will be of particular interest to teachers of English and French, are the many ready-made lessons that can be used to teach specific topics such as French idioms.
